SADIE'S
COUTURE FLORAL
a la carte program

HERE AT SADIE'S, WE ARE ALL ABOUT FLOWERS!

We create one of a kind floral arrangements inspired by the season.

Our a la carte wedding package is perfect for couples who love Sadie's style, but don't require large arrangements or on-site set up. This option is ideal for clients who only need personal flowers, centerpieces, and a few arrangements. Simply choose the size and quantity of your personal flowers and centerpieces, and describe your color palette. Leave the rest to us!

Our a la carte option is not well suited for couples who want very specific flower types, require an in person consultation, or have more complex event design needs.

We understand better than anyone how stressful planning your wedding can be. With so many choices, so much conflicting advice, and so little transparency when it comes to the actual costs of things, planning your wedding can quickly go from exciting to downright overwhelming.

We've streamlined the process of selecting your wedding flowers by offering a limited range of lush arrangements made from seasonal blooms, so choosing is easy. All we need is your color palette.

Our pricing is transparent so you have the ability to create your own custom flower package while staying within budget. Orders are available for pick-up during set times at our Minneapolis studio.

On the following pages you'll find everything you need to get started. Please don't hesitate to reach out if you have any questions. We look forward to working with you!
